

Medication Interaction Guide — Test Dataset B

Version: TEST-2.0 **Effective date:** 2026-08-10

Important Notice

This is synthetic, fictional data created solely for testing RAG retrieval and metadata filtering. It is not a medication guideline.

Test Interaction Records

Compound-X + Compound-Y: TEST-INTERACTION-GREEN-UPDATED.

Compound-P + Compound-Q: TEST-INTERACTION-BLUE.

Update Notice

The Compound-X + Compound-Y record in this fictional document supersedes the older test record because this document has a later effective date.

RAG Test Questions

What is the updated test label for Compound-X and Compound-Y?

What is the version of this guide?

Which document should be selected for the updated Compound-X and Compound-Y record?
